TODD FAMILY PAPERS

Arranged and described

by

Elliot Barske

1998

The Todd family papers received in two cartons from Douglas Todd of West Vancouver, B.C., Canada consist of almost 800 photocopied letters received by George Irv Todd of Northampton, MA from Todd descendants all over the United States during the first half of the twentieth century in addition to hundreds of family genealogy sheets.

George I. Todd edited the book, The Todd Family in America or the Descendants of Christopher Todd 1637-1919 as compiled by the Reverend John Edwards Todd, D.D. who was pastor of the Church of the Redeemer in New Haven, CT from 1869 to _____. This genealogy of the Todd family was published in 1920 by the Press of Gazette Printing Co., Northampton, MA.

The correspondence papers are numbered in sequence from 100000 to 100785 in alphabetical order based on correspondents' surnames. The family data sheets are numbered according to the Henry system of recording genealogical records.

In 2004, Robert B. Springer gave additional Todd family materials to the Whitney Library. These have been added to this collection in Box 6.
